RESTARTS:

On wall 4 (you'll start facing 9:00), dance the first 28 counts of the dance and then restart again (you'll be facing 12:00 when the restart happens).

On wall 10 (you'll start facing 3:00), dance the first 12 counts of the dance and then restart again (you'll be facing 12:00 when the restart happens).

NOTE: Shortly before your second restart, there will be 8 counts where the music totally cuts out and you're dancing to silence.

Do your best to keep dancing through those 8 counts and the music will kick back in.

The second restart does not happen immediately after this 8 count break but comes shortly after.
