

River of Love

COPPER KNOB
STEPPSHEETS

Count: 32

Wall: 4

Level: Basic +

Choreographer: Judee Curtis - January 2012

Music: River of Love - George Strait

All number 1's are Right Foot

Counts are written with "a" instead of "&" because the song makes the difference.

The moves are smoother than mambos with the feet staying close to the floor. Use those hips.
