- 37&38 Touch R heel forward, step R next to L, touch L heel forward
- &39-40 Step L next to R, touch R heel forward, hold

Triple Step Back x2, Rock Step, Walk, Walk

- 41&42 Step R back, step L next to R, step R back
- 43&44 Step L back, step R next to L, step L back
- 45-46 Rock back R, replace weight to L
- 47-48 Step forward R, step forward L

Ending: The song ends on the 9th rotation, 32 counts in. If you leave off the steps for 25-32, and instead continue the slow walk to the back wall, you can quickly turn to face the front on count 32 for a cool ending. Or make up your own and let me hear about them!

Notes: towards the end of the song, it sounds a little off rhythm, keep dancing, it comes back on.
