Choreographers note: for styling

When dancing sections 2 & 3 : keep the steps small because of the speed and they are danced on the balls of the feet (step 4 is a normal side step)

When dancing the mambos and the shuffles commence with a toe lead

Ending: you will have danced section 4 (shuffles) and you will be facing 9 o'clock, turn to the front and stomp the right foot forward and across the left for a big finish!
