Then any Party song you have depending on the time of year you're doing it!

The way it works...

- * Start by grabbing a willing partner.. (that's the hard bit)
- * Stand in a circle facing anti clockwise around the room, With the Lady (P1) in front of the Gent (P2)
- * Now everyone puts their hands on the shoulders of the person in front..
- * You are on opposite feet so (P1) leads on the Right (P2) leads on the Left
- * Sheet is written for the Lady (P1) just use opposite footwork for Gent (P2)
