- 25-28 Walk backwards stepping left, right left and hitch right
- 29-30 Step right forward, recover on left
- 31-32 Step right back, recover on left

*Jazz Box option

*29-30□□ Step right cross over left, recover on left

*31-32□□ Turn ¼ right on right, recover on left

REPEAT

* To make this a 4-wall dance, have the last figure (29-32) be a jazz box ¼ turn right. Rock right across left, recover on left, turn ¼ right on right, step left next to right.

**To make the dance fit the music you might want to put in 4 count TAGS (step touch, step, touch) after the second wall and after the seventh wall and a RESTART after 16 counts of wall 4. It is actually a sped up 4 count Tag.
