7&8& Right foot paddle steps turning ¾ turn back to the left (9:00)

**Start Over! - (No Tags... No Restarts)**

### Notes:

- a) Although the counts are all syncopated- it is not a fast dance.
- b) In section 2 the "step" count on 2 & 6 are key steps to transition next step.
- c) In section 2 count 5 feels like another paddle step.
