---

## Basic Waltz Box - Back, Forward

- 1-3 Step back with the right foot; step left with the left foot; step together (close right to left).
- 4-6 Step forward with the left foot; step right with the right foot; step together (close left to right).

## Basic Waltz Box ½ Turn, Counterclockwise

- 1-3 Step back with the right foot, starting a counterclockwise ¼ turn; step back left, completing the turn; close right to left.
- 4-6 Step forward with the left foot, starting a counterclockwise ¼ turn; step forward right, completing the turn; close left to right. This will be your new 12:00 wall.

## Clockwise, 360 Degree Turn, Point Left

### [1-3]

- 1 Starting from 12:00, with your weight on your left foot; step slightly forward on your right foot, angling slightly to the right.
- 2 Complete a half turn by stepping right over your right shoulder, pivoting on your right foot, turning 180 degrees, and placing your left foot in front of you (now facing the 6:00 wall).
- 3 Complete the 2nd half turn by stepping right over your right shoulder, pivoting on your left foot, turning 180 degrees, and placing your right foot in front of you (returning to the 12:00 wall).

### [4-6]

- 1 Take your left foot (trailing from the previous turn) and point it to the left.
- 2 Hold for 1 additional count.
- 3 close left to right (full weight change to the left).

**Repeat**
