CHOREOGRAPHER'S NOTE: This dance was created as a result of the inspiration and uplifting experience that the movie "COURAGEOUS" provided. I am truly thankful for the many years of memories with my daughter Christina – and (as a father), I am especially fortunate and blessed to have spent the quality father/daughter time with her throughout the years. Moreover, I am overjoyed to see the woman that she has become today – together with her wonderful husband, their 6 beautiful children, and their strong Christian values. Therefore, I dedicate this to her and have asked if she would "dance with me." (Yes, I managed to get her into line dancing at age 14).
