REPEAT

After your 5th wall (when facing your 6:00 wall) there's a 2 count tag. Do this:

1-2 Sway left and right, ending with weight on right being ready to start with your left basic step Or the little harder option:

1-2 Cross left over right, unwind a full turn over your right shoulder keeping the weight on your right foot

FOR A GREAT FINISH:

On your 7th wall the music fades out. Your 7th wall starts facing 12:00. Do the first 8 counts of the dance. When starting your half diamond fallaway only do count 9, then cross right behind left and unwind ½ turn right to face the front again. Take a bow to the audience!
