

Y (The Letter Y)

Compte: 32

Mur: 3

Niveau: Intermediate

Chorégraphe: William Sevone (UK) - July 2005

Musique: Dancing On the Ceiling - Lionel Richie : (CD: Dancing On The Ceiling / Greatest Hits)

Dance starts on the vocals with feet together and weight on the left foot.

Dance Wall 1: Start facing the left diagonal (10.30).

Sequence:-

Wall 2: Start facing the right diagonal (1.30)

Wall 3: Star facing the (traditional) back wall (6:00)

Choreographers Why is the dance called 'Y'? It may well have something to do with the number of 'walls' within the dance - and of course being performed in the shape of the letter 'Y'. simple 'eh'??.

It's not the first time I have 'strayed' 'Tulsa Time' for instance, is an 8 wall dance.. I'm not kidding.

There are three versions of this song that I am aware of.. all with differing running times so therefore you will have to formulate your own 'Dance finish'. Suitable for the established Advanced Beginner.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.

Toe: Behind-Side. Together. Toe: Side-Together.

- 1 ? 2 Touch right toe behind left foot. Touch right toe to right side.
- &3 ? 4 Step right foot next to left, touch left toe to left side. Step left foot next to right.
