BRIDGE (IN THE MIDDLE OF WALL 7)

Dance the first 28 counts, then, instead of the 4 count hip bumps, she will sing "Shake Shake Shake" and you

will bump your hips 3 times to those words (right-left-right), omitting the 4th hip bump.
Then, immediately after that, hold for 5 counts, and clap clap clap (6-7-8) (with the claps in the music).
Continue on with the rest of the dance from count 33 forward (side together heel splits...)
