***styling during count (57 – 64)**

Just make a slightly sway of your hips during count 57 until 64. Sway R hip a little to R while you move your R foot, and also slightly sway L hip to L while you move your L foot.

This is the end of the dance, and you may start again. I hope you enjoy the dance!

***Ending is at wall 11, just make a pose on count 53**
