-Hip Circles - Instead of just pushing hips forward and back you may make clockwise circles with the hips for L and counter-clockwise circles with the hips for R.

-C Bumps - This option is syncopated as 1&2&3&4,5&6&7&8 By pushing the hips forward and up on the odd counts, (&) recover weight back bringing hips back, and pushing the hips forward and down on the even counts. Counts 4 and 8 bring weight forward to start the next set.
