During the second wall you will start the dance facing 9:00. Dance to count 16 and restart facing 12:00.
Restart 2
During the fourth wall you will start the dance facing 9:00. Dance to count 16 and restart facing 12:00.
Ending: During the nineth sequence, you will dance up until count 30 (lock shuffle back) facing 9:00. Rather than the full turn triple that you would usually do; complete a $3 / 4$ triple $L$ to end up facing 12:00. Ta-da!

This is the first dance I have choreographed in our first home (in the kitchen).
A country two-step rhythm is one of my favourite rhythms to dance to and I also loved the lyrics in this song. Happy Anniversary darlin'.
