

# Crazy Baby Shuffle

**COPPER** KNOB  
STEPSHEETS

Compte: 24

Mur: 4

Niveau: Beginner

Chorégraphe: DJ BIG STUFF (USA) & A. DIZZY (USA) - July 2025

Musique: Crazy (Baby) - Rahsaan Patterson

I believe soul line dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, making strong musical muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.

## FORWARD HESITATING WALKS

1 2 3 4      Touch left foot forward for 1,2, touch right foot forward for 3,4

5-8      REPEAT STEPS 1-4 ABOVE

## PEE WEE HERMAN, QUARTER LEFT TURN TO SIDE PEE WEE HERMAN

1 2 3 4      Step left foot forward leaving right foot back and push hips forward, back, forward, back

5 6 7 8      Pivoting on right foot make quarter turn left and swing hips left, right, left, right

## PIVOT HALF TURN, LEFT SHUFFLE, RIGHT SHUFFLE, LOW FRONT KICKS IN PLACE

1&2      Pivoting on right foot make half right turn shuffling to left side left right left

3&4      Shuffle to right side right left right

5 6 7 8      In place make low little kicks left, right, left, right
