

# Latin Connection

Compte: 24

Mur: 0

Niveau:

Chorégraphe: Jack Wagner (USA) & Sue Wagner (USA)

Musique: Dance - Twister Alley

## HITCHHIKE

- 1-2 Point right thumb over right shoulder as if hitchhiking
- 3-4 Point left thumb over left shoulder as if hitchhiking

## WASH THE WINDOW

- 5-6 Rotate open right hand to the right, palm forward about shoulder height in small circles
- 7-8 Rotate open left hand to the left, palm forward about shoulder height in small circles

**Make only one circle with each hand**

## ROLL THE DOUGH

**Rotate closed bands similar to twiddling thumbs or rolling bread dough**

- 9-10 Roll hands one over the other twice on right side
- 11-12 Roll hands one over the other twice in front of body
- 13-14 Roll hands one over the other twice on left side
- 15-16 Roll hands one over the other twice in front of body

## HIP, HIP, BUN, BUN

- 17 Cross right hand across in front of body to slap left hip
- 18 Cross left hand across in front of body to slap right hip
- 19 Bring right hand back across body to slap right bun
- 20 Bring left hand back across body to slap left bun

## HITCHHIKE, JUMP, TURN

- 21-22 Bring both thumbs up to hitchhike over shoulders, twice
- 23-24 Jump up and turn ¼ turn to the right & clap hands

## REPEAT

**Sometimes you may wish to add 'clap clap switch':**

- 1-2 Clap hands with the two people standing on either side of you, shoulder high
- 3-4 Clap hands in front of you
- 5-6 Bend over and clap hands on front of thighs
- 7-8 Still bent over, cross arms and clap hands right on left and left on right
- 9-10 Straighten up and clap hands in front of you
- 11-12 If there is someone in front of you, as they turn slightly, clap your right to their right
- 13-14 Clap hands in front of your body again
- 15-16 As they turn slightly the other way, clap your left to their left.
- 17-18 Clap hands in front of your body again
- 19 Now, picking both feet up at the same time, jump turning ¼ turn to your right
- 20 Clap hands in front of body

**Then pick up hitch-hike on next count beginning again**
