## **REPEAT**

## **RESTART**

## On wall 6 you will dance up to count 33. Then do this:

4-6 Touch left ball back, turn ¼ turn left rolling left shoulder around, take weight onto left **Restart (should be facing back wall)** 

## **VARIATION**

On wall 4 you can replace counts 19-24 with:

Step left at 45 degrees right, step right beside left, step left back on diagonal dragging right heel, continue drag
 Step right slightly back, turning ½ turn left slightly stepping left forward, step right forward,

pivot ½ turn left weight on left

Counts &4-6 are the same as the dance - you are only changing counts 1-3
