When starting the dance on the fifth wall facing the front, do the first 8 counts of the dance and then vine to the left stepping left to left side, step right behind left, step left to left side, step right beside left taking weight to right. You will then start the dance from the beginning again.

When starting the dance on the sixth wall facing the back, do the first four counts of the dance and replace the drag back on count 4 with right stepping beside the left foot & restart again from the beginning.
