## REPEAT

When doing this dance to "I Wanna Fall In Love" by Lila McCann:

After the 6th pattern, do (Right side touch, together with ¼ turn to right, Left side touch, together), this takes 4 counts, by doing this 5 times you'll have a total of 20 counts. Now the pattern will be done facing the other two walls. After the 9th pattern repeat the 4 counts again, twice.

COPPER KNOL
