

Honk

Compte: 32

Mur: 4

Niveau: Improver

Chorégraphe: Al Marshall (USA)

Musique: Honk If You Honky Tonk - George Strait

FORWARD AND HOLD, ROCK AND RECOVER

1-4 Long step right forward, hold 2-4

On 1-4 extend right palm forward to arm's length, as if honking a horn

5-8 Step left forward, recover on right, step left back slightly, hold

On 5 and 7 raise arm with hand in a fist and pull it down until elbow is at right angle

These arm movements are a simulation of children's gestures to get truck drivers to blow their air horns

WALK FORWARD WITH ¼ LEFT TURN, VINE TO THE LEFT

9-12 Step right forward, left forward, right forward with ¼ left turn, slap left heel behind with right palm

13-16 Step left to left, right behind left, left to left, raise right knee across and slap with left palm

ROCKETTE KICKS

17-20 Step right to right, pivot 1/8 to right and raise left knee diagonal to right, kick, kick

21-24 Step left across right, raise right knee, kick, kick

On 19, 20, 23, & 24 push right and left palms forward to arm's length in time with kicks

SLOW COASTER, SLAP KNEE, POINT, SLAP HEEL, POINT

25-28 Step right back and pivot 1/8 to left, left beside right, right forward, left beside right

29-32 Point right toe to right, raise right knee across and slap with left palm, point right toe to right, slap right heel behind with left palm

REPEAT

TAG

At end of second wall (facing back wall) repeat steps 29-32. This will occur only one time
