## Coyote Love

Compte: 0

Niveau: Intermediate

Chorégraphe: Laurie Schlekeway-Burkhardt (USA)

Musique: But I Do Love You - LeAnn Rimes

## Sequence: A, B, A, B, A, last 16 counts of A

Because the first refrain is so slow and without a beat, I've choreographed it to start on the second refrain. This is where the beat of the song really begins. It will be 56 counts into the song that you actually start

## PART A

Deals featured on your left feat and reals heals an user sight
Rock forward on your left foot and rock back on your right
Step back with your left foot, loosely lock right foot over left, step back with left
Make a ¼ turn to your right and sway your hips right, left, right, left
Rock forward on your right foot, rock back on your left
Doing a triple step, make a ½ turn to your right - right, left, right (facing 9:00)
Step left foot forward and pivot a quarter turn to your right - landing weight on right foot (your
are now facing the front wall again)
Left sailor step - step left behind right, step right foot in place, step left foot slightly forward
With right foot, take a large step diagonally forward (2:00), slide left next right
With left foot, take a large step diagonally forward (10:00), slide right next to left
On the ball of your right foot, step a quarter turn to your right, sweep left foot around into a $^3\!\!4$
turn (you are ultimately making a full turn on your right foot and should be facing the front
wall)
Triple in place - left, right, left
With right foot, take a large step diagonally back (4:00), slide left next to right
With left foot, take a large step diagonally back (4:00), slide left next to left
On the ball of your right foot, step a quarter turn to your right, sweep left foot around into a $\frac{3}{4}$
turn (again, you make a full turn to your right and will end facing the front wall)
Triple in place - left, right, left
Point right toe forward, point right toe out to right
Right sailor step- step right foot behind left, step left in place, step right foot slightly forward
Point left toe forward, point left toe out to left
Left sailor with a 1/2 turn to left - step left foot behind right (this is where you will make your 1/2
turn to the left), step right foot in place, step left foot slightly forward (now facing back wall)
Step with right foot $\frac{1}{2}$ turn to right, step back with left foot making a $\frac{1}{2}$ turn to right (you just
made a full turn and are still facing back wall)
Triple step ¼ turn to right - right, left, right (you should now be facing 9:00)
Step left foot forward and pivot ¼ turn to right - landing weight on right foot (now facing front
wall)
Syncopated grape vine - step left foot behind right, step right to right side, cross left foot over
right
Step right foot right, step left foot behind right
Shuffle to right -right, left, right

Mur: 1

- 5-6 Rock left foot in front of right (2:00), rock back on right foot optional hand movements here when you rock onto left foot, bend slightly forward and put your left hand out in front and move from right to left very slowly while rocking back onto right foot. Your right arm will go behind your right hip
  7&8 Shuffle to left left, right, left
- 1-2 Step right behind left and unwind and  $\frac{1}{2}$  turn to right (facing back wall)
- 3-4 Rock forward on left, rock back on right
- 5-6 Rock back on left, rock forward on right
- 7-8 Step forward with left and pivot ½ turn to right (back to the front wall), landing weight back on right foot
