Musique: Let's Go Crazy - Prince

Start on vocals? ?If you don?t like?? (about 1 minute, 11 seconds on full track)

Notes: (1) The song has a very long introduction. About 37 seconds into the full track there is a beat that starts. Using the first beat as count 1, there?s a 56-count introduction until you start dancing. We start the music at about 1:02, so there?s just a 16-count introduction. (2) There is a great guitar solo at the end of the song. If you like guitar solos, then let it run and rock on! Otherwise, fade it at the end of wall 10 (your second time on the back wall).
