This dance was requested by Des Goss from Hervey Bay.

It was my great pleasure to write it for him because I like the old songs too..... Could we be showing our age????

The singer, Teresa Brewer, was one of the most popular female singers of the 1950's .

She was 76 when she died in October 2007

The dance is easy so everyone will manage it.. Teresa Brewer will be watching from the other side and I'll bet her foot will be tapping along to the music... and I know she will be smiling!

See you on the floor sometime.... Jan
