### TAG:

In the song "Guilty" there is a 16 count TAG at the END of the 7th time through. (You will be facing 9:00) You can use your imagination here (see suggestions below) to get yourself turned around to face the front for the next start.

In the slower song "Busy Being Fabulous" there are TWO 16 count tags.

If dancing this dance to other songs with one or more tags you can be creative during each tag. Do your favorite steps - just make sure they work with the music

### Tag Suggestions:

- \*1) Military pivots for 8 counts and hip bumps or boogie walks for another 8
- \*2) Do back-together, forward-together for 16 counts using Cuban motion or a rolling of the hips
