**\*\*Styling These Paddle Turns are intended to be smooth, so while turning ¼ the R knee technically hitches, don't exaggerate the hitch but rather focus on pointing the R foot**

**Overall styling: This dance is West Coast Swing rhythm and should be danced smoothly.**

**The kick ball steps should have no "hop" to them and could be thought of as a touch-ball-step.**

**Imagine your feet are gliding on the floor while dancing this dance.**

**Ending: On the 10th wall, the paddle turns will take you back to the back wall and the music ends.**

**When doing these paddle turns, paddle back to the front wall instead.**

**Have fun!**
