Another dance written for the Maroochydore Workshop, August 2015
The Burns Sisters Band is a new name to me, but I do like their sound.

The waltz is easy, but for the less experience dancers, the diamond waltz at the beginning of the dance will be a bit tricky until you get used to it.

Once you get the idea of it though, it is easy peezy…. And as you might have noticed…. There's no Tags or Restarts in this dance…… Enjoy!

See you on the floor sometime.... Jan
