Notes/variants: 2-step turn can be substituted with walk-walk for beginners or those with vertigo. Rolling vines can be done in the first 8-count. The wizard steps can be substituted with locking steps. The inspiration for this dance came from my 22 years living in Kansas (now an East Coast girl), the movie Twisters and the Wizard of Oz.

I hope you enjoy the little tributes to these that I have included in the dance (the heel clicks, the wizard steps, the 2-step turn (a tornado) & the K-step for Kansas.
