## REPEAT

## TAGS

**At the end of the first wall, add the following 2 counts:**

**At the end of the fourth wall, add the following counts twice. (i.e. Four sways/counts)**

## SWAY, SWAY

1-2      Step right to side swaying hips right, sway hips left

## RESTART:

**On the third wall, dance only the first 12 counts, then re-start from the beginning - facing 12:00**

The song has a very strong drum pattern which is reflected in the dance steps. Some of the "&" counts hit this rhythm and may be inserted "late" for the right effect.
