We have called this dance "X-Rated" because of the nature of the lyrics. There are 2 swear words in it. One is s\*\*t & the other is b\*\*\*\*\*d & I guess the nature of the song is a little rude but we have played it to many different people in our classes & they all said they were fine with it & it's great fun. If you are offended by the lyrics then we can only say sorry. At time of writing the song is number 12 in the charts. It is not our intention to offend anyone & we have done this dance because we love the beat of the track & just done it for fun really, so if you do dance this, thank you & we hope you "strut your stuff" & just have a bit of a laugh with it. It is meant to be a bit tongue in cheek
