## REPEAT

Desire was one of two dances that were put together several hours before I was due to teach a workshop at the 3rd annual Black & White Ball held on the Gold Coast. It was inspired by the song and the steps just seemed to happen. Loved the music and had a hard time keeping the sequence free of more  $\frac{3}{4}$  turn and direction changes

My thanks to Marina for her patience that morning and in naming the dance. Incidentally, the name of the other dance taught that day was Party Time. If you haven't already done this fun dance, then keep an eye out for it
