## Dallas Shuffle

音乐: Tulsa Time - Don Williams

The Dallas Shuffle is a line dance which is very similar to the Eight Corners, and some steps resemble the Old Style Four Corners. Rather than have two dances which were very similar, a few changes were made to combine the two and create a third. We feel these changes give the dance a better appearance and that it lends itself better to group dancing. The name Dallas Shuffle was given in honor of the club where we learned the other dances.
