音乐: Dancing On the Ceiling - Lionel Richie : (CD: Dancing On The Ceiling / Greatest Hits)

Dance starts on the vocals with feet together and weight on the left foot.

Dance      Wall 1: Start facing the left diagonal (10.30).

Sequence:-

Wall 2: Start facing the right diagonal (1.30)

Wall 3: Star facing the (traditional) back wall (6:00)

Choreographers Why is the dance called 'Y'? It may well have something to do with the number of 'walls' within the dance - and of course being performed in the shape of the letter 'Y'. simple 'eh ??.

It's not the first time I have 'strayed' 'Tulsa Time' for instance, is an 8 wall dance.. I'm not kidding.

There are three versions of this song that I am aware of.. all with differing running times so therefore you will have to formulate your own 'Dance finish'. Suitable for the established Advanced Beginner.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.
