**Please note:-The iTunes download is around 4 minutes long even though it is listed as 6 minutes 13 seconds. The dance music is the first 4 minutes of the download. There is then an extended silence of around 10 seconds before a slower piece of music (not relevant for this dance) completes the download. If dancing to the CD version the dance music lasts around 6 minutes. The preferred version is the download although the dance fits to either.**
