The Derailers are terrific as usual and this song has a good beat for dancing to.

I think that Buck Owens sang the original song.

It's getting harder and harder to find good old country music as we used to know it, they just don't seem to produce it any more.

AND reminiscing about the good old days is a sign of old age so I better shut up now!

The dance is easy in spite of the fact that it is 64 counts and it feels good to do, so I hope you enjoy it. .

See you on the floor sometime..... Jan
