Have had communication from instructors, who, teach very beginner to advanced beginner dancers. Most like upbeat classic songs, as well as country & enjoy learning the "Cha Cha step". This song is a little slower & the steps are very basic-----not too difficult for very beginners, especially using the option to eliminate the full turn. Please, contact me if you have any questions.

Have fun dancing and/or teaching! - Contact: [hel.38@att.net](mailto:hel.38@att.net)
