**牆數:**4

| Intro: 32 Counts (Start on Heavy Beat)                                                                         |                                                                                                                                     |
|----------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Modified V Step. Left Coaster Step. Forward Mambo Step. Back Mambo 1/4. Cross.                                 |                                                                                                                                     |
| 1 – 2                                                                                                          | Step Right forward and out (pushing R hip forward). Step Left forward and out (Pushing L hip forward).                              |
| 3                                                                                                              | Step back on Right foot.                                                                                                            |
| 4&5                                                                                                            | Step back on Left. Step Right beside Left. Step forward on Left.                                                                    |
| 6&7                                                                                                            | Rock Right forward. Recover back on Left. Step back on Right.                                                                       |
| 8&1                                                                                                            | Rock back on Left. Recover weight forward on Right. Turn 1/4 Left crossing Left over Right. (9 o'clock).                            |
| Ball-Cross. Side Rock/Sway. Recover. Cross. Back-Together. Forward Step. Step. Pivot 1/2 Turn Left.            |                                                                                                                                     |
| &2                                                                                                             | Step Right to Right side. Cross step Left over Right.                                                                               |
| 3 – 4                                                                                                          | Rock Right to Right side and sway Hip Right. Recover weight on Left.                                                                |
| 5&6                                                                                                            | Cross Right over Left. Step Left back. Step Right together with Left.                                                               |
| 7,8&                                                                                                           | Step forward on Left. Step Right forward. Pivot 1/2 turn Left. (3 o'clock)                                                          |
| ***Restart Here on Wall 5 facing 3 o'clock Wall (see below for notes).                                         |                                                                                                                                     |
| Traveling Knee                                                                                                 | Pops Forward/Camel Walks X3. Mambo Step. Sweep. Back Rock/Hitch. Left Lock Step.                                                    |
| 1                                                                                                              | Step Right forward and close Left beside Right popping Left knee forward (weight on Right).                                         |
| 2                                                                                                              | Push Left foot forward and close Right beside Left popping Right knee forward (weight on Left.                                      |
| 3                                                                                                              | Push Right foot forward and close Left beside Right popping Left knee forward (weight on Right).                                    |
| 4&5                                                                                                            | Rock Left forward. Recover weight on Right. Step back on Left sweeping Right from front to back.                                    |
| 6                                                                                                              | Rock back on Right and slightly hitch Left knee up.                                                                                 |
| 7&8                                                                                                            | Recover weight forward on Left. Lock Right behind Left. Step Left forward. (3 o'clock)                                              |
| Step. 1/4 Turn.                                                                                                | Cross. Hinge 1/2 Turn Right. Left Cross Rock. Ball-Cross. Side Rock. 1/4 Turn Right. Step.                                          |
| 1&2                                                                                                            | Step Right forward. Pivot 1/4 Turn Left. Cross step Right over Left. (12 o'clock)                                                   |
| 3&4                                                                                                            | Turn 1/4 Right stepping Left back (3 o'clock). Turn 1/4 Right stepping Right to Right side (6 o'clock). Cross rock Left over Right. |
| 5&6                                                                                                            | Recover weight on Right. Step Left to Left side. Cross step Right over Left.                                                        |
| 7&8                                                                                                            | Rock Left out to Left side. Recover weight on Right turning 1/4 Right. Step Left forward. (9 o'clock)                               |
| Start Again!                                                                                                   |                                                                                                                                     |
| ***Restart: On Wall 5, start facing 12 o'clock Wall. Dance 16 Counts of the dance and restart facing 3 o'clock |                                                                                                                                     |

Wall.

Ending: On Wall 8 you will finish facing the back. Unwind 1/2 Turn Right to finish on 12 o'clock Wall.
