Start Again!

NOTE! Now, because of the phrasing of the song there are a couple of amendments and 1 restart Amendments on walls 2, 4, 6 and 7 (facing 12:00, 12:00, 6:00 and 12:00):

At the end of the above walls the bit in the song about kissing boys is repeated which means you will be repeating counts 25-32.

To be able to do this you must change the last 2 counts of the main dance (32&), in this case counts 8&. The

minor but important change is this:

Step R fwd (8), drag L next to R (&) ... That way you can start rocking fwd on L on count 25

Restart There is 1 restart in the dance. It happens on wall 4, after 16 counts.

To be able to do this restart you must change the steps from counts 6&7&8& in the 2nd section to the following:

6&7 - Cross L behind R (6), step R to R side (&), step L fwd (7),

8& rock R fwd (8), recover back on L (&) 6:00

Extra! Because wall 7 is all instrumental don't do any hand/arm movements during counts 25-32 - 6:00
