### **VARIATIONS:**

On steps 25-32, instead of clapping, click fingers on both hands at shoulder height

On steps 57-72, if you find applejacks difficult, try fanning toes only in the same directions as applejacks. I.e. Left toe left, return, right toe right, return, left toe left, return, left toe left, return, right toe right, return, left toe left, return, right toe right, return, right toe right, return. Or twist heels left, return, right, return, left, return, left, return, twist heels right, return, left, return, right, return, right, return. Or whatever feels comfortable for you.
