## CROSS, SIDE, SWAY RIGHT, SWAY LEFT

- 29-30      Cross right over left and step, step onto left foot to left side  
31-32      Step to right side onto right foot and sway to right, step onto left foot to left side and sway to left

## REPEAT

The song slows down at the end of the 10th wall. You will be into the sways. Sway again to the right, again to the left, again to the right and once more to the left. Timing has to be judged here as there is no definite count to the slow down in the music. (it's approximately 4 beats)
