Position: Begin with couples in a circle, closed position, men facing line of dance

BASIC, UNDERARM, EXTEND

- 1& (Q,Q) Men lead ladies in the standard two-step start
- 2-3 (S,S) Open to a promenade position, so all dancers are facing LOD
- 4& (Q,Q) Lead lady with left hand to outside underarm turn, extend out
- 5-6 (S,S) Face each other, double hand hold

FORM A CIRCLE, CHANGE PARTNERS, FORM A CIRCLE

- 7& (Q,Q) Drop left hand, lead lady with right hand underarm to man's right side
- 8-9 (S,S) Both dancers are facing out from center of circle. All dancers extend free arm to side to hold hands
- 10& (Q,Q) Drop right hand and lead lady across in front of man. With left hand turn lady left shoulder back. You just changed partners.
- 11-12 (S,S) Both dancers turn facing in to center of circle, all dancers extend free arms to sides to hold hands

INTO THE MIDDLE, BACK OUT

- 13&14-15 (Q,Q,S,S) All couples two-step in to center of circle. Do not kick, but you may "whoop" if you want to.
- 16&17-18 (Q,Q,S,S) All couples two step backwards to form the circle again, still holding hands
- 19& (Q,Q) Man drops right hand and leads lady across in front of him, then leads lady's left shoulder back into wrap on man's right side
- 20-21 (S,S) Both face LOD

LEAD HER INTO A WHIP PATTERN

- 22&23-24 (Q,Q,S,S) Full basic down LOD
- 25& (Q,Q) Dance down LOD
- 26-27 (S,S) Pre-lead lady's left shoulder in, pre-lead right shoulder out (prance)
- 28& (Q,Q) Turn lady inside to RLOD
- 29-30 (S,S) Man pivots to reverse LOD, man's left hand to lady's right hand

DO ONE WHIP PATTERN AND EXIT, END WITH A BASIC

- 31& (Q,Q) Lead lady with left from outside to inside turning her to LOD
- 32-33 (S,S) Man turns left shoulder back under his left arm to LOD
- 34& (Q,Q) Turn lady left shoulder back into closed dance position with man facing LOD
- 35-36 (S,S) Basic two step
- 37&38-39 (Q,Q,S,S) Basic two-step
