## REPEAT

At the end of wall 7, when the words "We're from the country and we like it..." are repeated, add another shimmy to the right and left, then begin the shuffle forward again to the end of the music.

Option: Instead of a shimmy you can step side right, hold on count 2 and drag your left foot next to your right on 3-4 and same with the left. Step side left, hold on count 6 and drag the right next to the left foot on 7-8, leaving weight on your left foot.
