VARIATIONS

The Choreographed by encourages dancers to experiment with variations! Lead and follow can both do 3 step turns, ending with touches to replace vines. Lead can lead follow through turns to replace triple steps forward. Use forward triple steps with windmill. Do 1st triple step forward, the 2nd & 3rd triple steps backward, and turn forward again for the 4th triple step. Try turns on the toe/ heel backs either both partners simultaneously or lead turning follow in an inside half turn on steps 13-16 and an outside half turn of steps 17-20 or full turns.
