## **RESTART**

On 3rd wall, restart after count 40. You will be facing 9:00 (at the start of what I class the 3rd verse)

On 6th wall, restart after count 40. You will be facing 6:00 (at the start of the instrumental)

This is a live recording. The music fades and returns. Dance straight through this. You should be on steps 41-42 when music returns. Elvis starts slightly early. Dance right through to the end of the music; you should finish on the front wall with the audience clapping!
