- 5 - 6 Touch Right Toe Back Pivot Half Turn Right on ball of Left, Then put weight on Right!
- 7 & 8 Left Shuffle Forward

Faces 3.00

ENJOY THE DANCE!

MUSIC The music slows down at about 2.17 into the track...you can just slow the steps down and wait for the beat to pick up...or just sway you hips etc.

FINISH Finish as the music fades on the kick step back...facing the front?

ALTERNATIVE: If you find the 'QUICK FULL TURN' too much just replace with TWO WALKS?
