## BRIDGES

You have to slow down to make them.
BRIDGE 1: On the 3rd wall:
(9-16) RIGHT CROSS ROCK, RONDE ½ TURN RIGHT, STEP FORWARD
1
Right rock over left.
Replace weight onto left.
Right ronde de jambe making $1 / 2$ turn to right.
3
4 Left step forward.
Restart.
BRIDGE 2: At the end of the 7th wall, make the last 4 counts slowing down, repeat the last 4 counts and restart.

BRIDGE 3: At the end of the 10th wall, make the last 8 counts slowing down and restart.
There are no bridges at country songs:
We change a little 25-28 counts:
(25-28) POINT ¼ TURN RIGHT, $1 / 4$ TURN LEFT, POINT, $1 / 4$ TURN LEFT
1 Right toe making $1 / 4$ turn to right, with a bit bended legs and turning your body too.
$2 \quad 1 / 4$ turn to left (we are where we were on count 1), turning the body again to the front.
3 Right toe forward, with a bit bended legs and turning your body too.
$4 \quad 1 / 4$ turn to left, turning the body again to the front.
