This is a bright little song that Marianne sent me and  
I hope you enjoy the dance. It's not hard, but it IS tricky so I'll try  
to get a video done asap so that you can see how the dance goes....

We all get a little bit lonely sometimes. I know I can feel like that even in the middle of a big crowd of people -  
who knows why that happens.  
I guess it is just part of being a human being.  
Music and dance is the cure all though. It fixes everything because you can lose yourself in it!  
It's better than any treatments or medicines... and definitely better than chemotherapy! (-:

See you on the floor sometime.... Jan
