Sailor Steps and Modified Heel Jacks

5&6&7&8& Cross R over L, step L slightly to left side, place R heel forward at right diagonal, step R back to center, cross L over R (this is the modified part), step R slightly to right side and place L heel forward at left diagonal, replace L at center

(you can also choose to do a traditional heel jack with count 7 crossing L "behind" R. I tend to like crossing in front both ways)
